Experience

ACE Volleyball Club | Atlanta, GA

October 2019 – Present

Volleyball Coach

Volleyball club operating in Midtown Atlanta and Druid Hills

- Leading practices and running drills with players, coaching teams of 9-20 elementary to high school aged girls, instructing on specific skills, techniques, and strategies to allow players to accomplish their goals
- Acting as liaison between parents and club coordinator, facilitating open conversation and employing effective problem-solving strategies

Wreck Techs | Atlanta, GA

August – December 2021

Resident Technical Assistant

Georgia Tech on-campus technical assistance

- Assisting 5-20 customers per 4-hour shift with technical issues via phone, email, and in-person communication
- Connecting and troubleshooting devices on the wired/wireless campus network
- Repairing and configuring software-related issues on Windows and Mac operating systems

CO | Atlanta, GA

May – August 2021

Server

Casual fine dining restaurant in Midtown Atlanta

- Communicated with over 30 customers and coworkers at a time to provide patrons an exemplary dining experience
- Coordinated with a team of other employees to ensure individual responsibilities were managed effectively

Poke City | Atlanta, GA

May 2019 – January 2021

Food Handler

Casual counter service Poké restaurant in Midtown Atlanta

- Facilitated safe and hygienic transfer of food from prep stations to customers
- Built rapport with customers in order to create a welcoming environment

Relevant Coursework

Data Structures and Algorithms: Implementing Java code to effectively and efficiently organize data

Object-Oriented Programming: Practiced techniques of OOP such as encapsulation, inheritance, and polymorphism.

Activities

Lifeline Animal Project | Atlanta, GA

2016 – 2017

Volunteer

- Socialized animals and explained adoption process to interested parties
- Fostered 2 dogs, both of which were adopted
